

EXPRESSION OF INTEREST

Having a Say Conference 2008

Being the Change

This is a call for Expressions of Interest (EOI) from people with disabilities and disability groups who wish to be part of the Having a Say Conference program.

Real change comes from within. Having a Say 2008 is all about 'Being the Change'. The State Plan and new disability legislation (law) opens the door to new possibilities, but only people with disabilities can make change really happen. It's time to be the change!

Priority will be given to presentations that involve people with disabilities in the planning and the delivery of the presentation and that address the conference theme - *Being the Change*.
